Returned to the Chief Engineer Major Irrigation (North) Munirabad. Now that the year 1957-58 is also over it may be intimated whether it is not necessary to debit the expenditure to the grant for the year 1958-59. If so, the Major and detailed head of account as per the current year's budget to which the expenditure is debitable may also be indicated clearly to enable further action.

Sir,

Subject :- Contingent Bill for payment of advertisement charges.

MYSORE GOVERNMENT SECRETARIAT
NO 2704
1 APR 1958
PUBLIC WORKS MAJOR IRRIGATION BRANCH

I write to state that during the year 1956 auction of certain unserviceable 'tore articles was held by the Executive Engineer, Mechanical & Stores Division, Muni-abad after advertising the same in 23 News Papers of the state. This was done with a view to give wide publicity to the same. Bills amounting to Rs.859.25 were received for the same. But the Executive Engineer, Mechanical & Stores Division could not make payment for the same due to non availability of sufficient grant during 56-57 under office contingencies (Sub Head - 'Miscellaneous). During 57-58 necessary funds were re-appropriated to meet the cost of the above bills and the Executive Engineer forwarded the bills to the District Treasury Officer, Raichur, for audit. But the District Treasury Officer, returned the bills with the objection that the bills are delayed for more than six months and authorisation of the Accountant General was necessary. Then, the Executive Engineer submitted the bills to the Accountant General, who returned them with the following objection:-

> "The expenditure under reference pertains to the year 56-57. As the contingent of the previous year has to be debited to provision of 1957-58. Sanction of the Government is necessary. The same may kindly be obtained".

p.t.o

FOR POST FACTO SANCTION.

1) Nature of Irregularity (Preferably quote rule violated)	The claim is time barred as per Accountant General's half margin Memo No.27348-49 dt.8-1-1958.

3) Had he sufficiently strong reasons for committing the irregularity (enclosed --- original explanations and any order thereon)	No irregularity was committed by this Division.
4) If not has he been informed to avoid such irregularities in future or is it considered that more drastic notice is due.	
5) When was action first taken to regularize the irregularity.	There was no irregularity.
6) What is the explanation for the delay between (2) & (5) enclose original explanation and orders thereon.	
7) If the explanation is not considered satisfactory, has the officer concerned been informed of it and directed to consider necessary.	This office has submitted the reappropriation statement for additional grant for advertisement charges in the month of C/5C. Hence no necessity for any explanation.
